

PROFESSIONAL REFERRAL

09/13/2023

Looking for someone to service your C-ARM?

We have met the nicest guy who works out of Riverside County but travels all over LA. His name is Dennis Stoll, he is a radiological engineer and has a voluminous track history and experience. We have made him our "go-to guy" for any C-Arm we sell that needs servicing while under warranty. He is just that good.

Dennis Stoll's contact info. The Stoll Engineering Company

The phone number is: 760-219-9429-Mobile

Email address is: dennis2529@gmail.com

**Be sure to tell him that we referred
you to him!**
